

Continuously published since 1976, **GROUP** is the journal of the Eastern Group Psychotherapy Society, affiliate of the American Group Psychotherapy Association. Submitted material receives “blind” review by scholars and practitioners in the field who serve on the editorial board, although final decisions rest with the editor. Manuscripts are in English but may represent viewpoints from around the world.

**GROUP** (ISSN-0362-4021) is published quarterly by Mental Health Resources, 44 West Bridge Street, Catskill, New York 12414.

**GROUP** is abstracted or indexed in Current Contents/Social & Behavioral Sciences, Psychological Abstracts, PsychINFO database, Social Sciences Citation Index, Social Scisearch, and the ISI Alerting Services.
